

Real Life – Facing off with the Giants “My Giant”

This weekend we begin with the most famous giant account in the bible. The giant Goliath found in **1 Samuel Chapter 17**. Most of our giants don't carry a sword or shield, but something more threatening. He doesn't parade up and down the hills of Judah, he prances through your office, bedroom, classroom, the darkness of night. How do you face Him? And with what do you come against Him once and for all?

Giants are those things that _____ your day and seem to _____ God. Know your _____, but know _____ better!

David recognized the Giant for who Goliath was and who he wasn't. How well do you know your Giant?

We are to _____ our Giant with a _____ soul.

*“We don't “chip away” at the giants we face, pray they go away, or numb ourselves against their attacks. We rush them!” **“With man this is impossible, but with God all things are possible.” (Matthew 19:26)***

The God who made a _____ out of _____ stands ready to make a miracle out of _____!

God called him **“A man after my own heart” (Acts 13:22)** What God saw in David gives hope to us all!
